COOKEVILLE, TENN.

Cookeville, Tenn.
May 2, 1920.

Dear Editor:

I will now try to write a letter, and as this is my first, I will be glad if it misses the waste basket.

Health is very good in this place.

We take the Sentinel and are always glad to get it, for it is almost like a visit from someone at Gainesboro.

Route 1, come on with your news, I enjoy reading it.

My school will be out 14th of May, and I am expecting to give Jackson county a visit.

With love and good wishes to the dear paper and its readers.

Martha McCoin.

Tom Burris.

Tom Burris, 57, died at his home on the north side of Cumberland river, near Stone, Monday morning at 1 o'clock, after an illness of one week of pneumonia following flu.

Mr. Burris was a member of the Presbyterian church and is survived by his wife and five children: Ernest, Essie, Rose, May, Nellie, Susan and Lillie.

Funeral service was held Tuesday afternoon, conducted by Rev. A. R. Gibbons. Burial in the Lock cemetery.

James M. Pharris.

Jas. Momroe Pharris, of Nashville, former citizen of this county, died at the home of his daughter, Mrs. J. B. Hanner, on R-4, Monday night at 10 o'clock. He was in his 70th year, and had been in feeble health for some time.

He was an elder in the Presbyterian church at Pharris' Cha-

pol, this county until a few years ago, when he moved to Nashville. He was a splendid citizen and held the esteem of a wide circle of friends.

Besides his wife he leaves five children and two brothers, Esq. A. J. Pharris of Gainesboro R-2.

and Harvey Pharris of near Whitleyville.

Funeral service was held Tuesday morning, conducted by Rev. T. N. Berry. Burial in the Pharris cemetery in the 15th district.

Ten miles used to be a long way

WHAT a difference in these motor-car days, when every point in the county is hardly more than "just around the corner."

People's ideas are changing, too.

They're beginning to figure out how much it is costing them to keep a car. And the man who is doing the greatest amount of figuring is the man with the moderate-price car.

There still seems to be a notion in some quarters that any tire is good enough for a small car.

That's not what the man who owns it thinks.

In recommending and selling U. S. Tires we are trying to see his side of the propo-

sition—finding out what he wants in a tire and giving him that.

III

Large or small, U. S. Tires are built to only one standard of quality—the standard that produced the first straight side automobile tire, the first pneumatic truck tire.

Every tire that bears the name "U. S." is built the best way its makers know how. It isn't the car, but the man who owns the car, that counts with the oldest and largest rubber concern in the world.

IV

As representatives of U. S. Tires in this town, we offer you the benefit of our experience and advice in settling your tire problem.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobuy.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.
